Order Form:
Phonak EON CROS Instruments.

By submitting this order to Phonak for creation of a custom product for your client, you agree that Phonak will scan and then dispose of the ear impression, that the scan and other information generated as part of the order fulfilment process is the property of Phonak and the client has been advised that their personal information (including name, date of birth, gender, device sizing and service history) will be retained for warranty claims, product recall and statistical purposes. The information will only be released or disclosed to another person or agency when specifically requested and with your client's consent. If you would like the ear impression returned, please let us know.
